DRIVE LIKE THE CHAMPIONS

Nürburgring isn't only the world's longest and most beautiful circuit. It's a true legend that has captured the imagination of motor sport fans since 1927. Caracciola and Fangio. Senna and Schumacher. All the Formula 1 stars have challenged the celebrated Nordschleife (north circuit), known as "green hell" and considered the toughest racetrack on earth. Now it's your turn. But you will be in the safe hands of the Fahrsicherheitszentrum (Driving Safety Center) professionals.

Welcome to the driver's seat.

DRIVE FOR LIFE

October 30th 2006 will probably top your list of great holiday memories. It's the first day of your Nürburgring experience. This combines the fun of driving with advanced driving safety training allowing you to graduate with a whole new level of expertise for your everyday driving back home. Just imagine the thrill of driving your own car through a whole driving program* on one of the world's most famous tracks.

* Additional insurance included. Replacement brake pads and tires will be available.
